## CANAL POINT METHODISTS ERECTING BEAUTIFUL NEW CHURCH

Canal Point Methodists have a special reason for being thankful this year as their new church rises. The sanctuary and Sunday School addition will be built at this time, and the parsonage shown in the plans will be completed in the future. The buildings are estimated to cost \$20,000.00 and are the design of architect Chester A. Cone, of Miami. The construction is under the direction of Charles Yeomans. The Building Committee is headed by Chairman A. R. Harrington and includes D. L. Hooks, Mrs. George Kingsley, Mrs. C. L. Stuart, N. V. Maxson, Earl Maxson, Mrs. Frank Wilson, Bascom Belcher, W. M. Brandon, T. N. Yeomans, T. W. Ennis, Frank Wilson and W. E. Johnson and Rev. James Roy, ex officio.

The Finance Committee has chairman J. P. Parker, Harlan Sears, and several members of the Building Committee.

Months of planning by this com-

mittee and the Finance Committee preceded the demolition of the former church, and the moving of the parsonage to its new site. Then construction began with the laying of a very good foundation, including over 100 pilings. The building is constructed of steel-reinforced blocks, and will have a natural wood truss interior. The interior will be lighted during the day by long, jalousied windows to produce the maximum of ventilation and light. At night it will be illuminated by recessed lights around the entire ceiling. A large window back of the choir will feature an illuminated stainless steel cross.

The entrance will feature a glass block cross built into the vestibule walls above the entrance and lighted from the inside. The church will have plastered walls and tiled floors. At the rear of the church there will be one room for the choir and one room for the pastor's study. The W. S. C. S. of the

church is planning to provide pulpit furniture that will blend with the woodwork of the ceiling and the pews.

The extension to the present Sunday School building will occupy 28 more feet to bring it parallel with the new church. This will provide much needed Sunday School rooms and make for more efficient handling of the many children who now attend.

Back of the beautiful new edifice that is arising lies a long dream and years of hard and faithful work upon the part of many people, some of whom are dead and some moved away. The first established Methodist Church in Canal Point was at the location of Coburn's Hardware store back in the '20s. Before that there had been services for Sunday School students in various locations, and some services by pastors upon different occasions. The first Methodist pastor serving

Canal Point was Rev. Housley, who came from South Bay by boat to hold services.

In 1926 the hurricane blew down the Methodist Church, according to Mrs. A. L. Pope, one of the first workers in the church. It was a heart-breaking experience to see the steeple come tumbling down, to have the wind and water ruin the interior, including a new piano they had worked so hard to obtain. There were very few members then, and only by constant hard work and sacrifice were they able to keep going. The lots for the church had been given by Mr. Watkins of West Palm Beach, and they were traded, after the storm to the U. S. Sugar Company for the present lots on 2nd Ave.

It was here in 1929 Rev. Filley, almost singlehanded, built the little church that endured for many years through the hurricanes that buffeted the Everglades. Ironically enough the first service held in the

church built by Rev. Filley was his funeral service. Since then the church has been served by Rev.

Rev. G. E. Bennett, Rev. M. O. Slawson (now a Chaplain in the Airforce in England), Rev. E. S. Dougherty, Rev. Oliver Hatfield, Rev. W. T. Blair, Rev. Ralph A. Fuller, Rev. Earl J. Jones, and the present pastor, Rev. James R. Roy.

The new church and Sunday School Addition will not only represent the dreams and work of the present membership but will also be a monument to the men and women who for years have kept the church alive and growing, who have supported it with their gifts and hard work.

The exact date for the church dedication has not been set but is expected in March or April. The dedication will be by the Bishop Dr. John Branscomb and the District Superintendent Dr. J. H. Daniel of West Palm Beach.

### New Cemetery Plan Has Been Proposed

The Pahokee City Council at a meeting Monday night discussed a proposed plan, as explained by City Attorney Ralph O. Johnson, for the future operation of the Port Mayaca Cemetery which serves as a burial ground for the entire Glades area and whose operation in the past has been the sole responsibility of the City of Pahokee.

The plan, which would require a special act from the State Legislature in order to go into effect, proposes that the cemetery be operated by three trustees, one each elected by the residents of the cities of Pahokee, Belle Glade and North Bay at regular city elections and each community to be assessed to raise the funds necessary for the operation and maintenance of the cemetery. The Council asked for certain amendments to the proposed plan before taking action.

Mr. Johnson gave a report on the meeting of the Florida League of Municipalities which he and City Clerk Dorothy Graham attended

### Birthday Calendar Is Lions Project

The Canal Point Lions Club at a dinner meeting in the County Park community building voted to sponsor the publication of a birthday calendar as a fund-raising project, the money raised to be used for community betterment. Pope Sears was appointed chairman in charge of the calendar project.

The club also made tentative plans to sponsor a Christmas turkey shoot. A. R. Harrington, Pope Sears and Grady Boynton were named on the committee in charge of arrangements.

President Albert Fremd called on chairman of standing committees for reports of club activities during the past month.

recently in Tallahassee.

The Council voted to re-advertise for bids on the construction of a new wooden settling tank for the city waterworks plant, the bids to be opened Dec. 9. Councilman Gil Galbaldon was authorized to make arrangements to have additional street lights installed in colored town.

### Belle Glade Rams Win Annual Game From Pahokee 19-7

A hard-fighting Pahokee Blue Devil team found the big, hard-charging Belle Glade Rams line too tough to handle and fell, 19 to 7, to the Rams in the annual Thanksgiving Eve battle for the Lions' Bill Young Memorial Cup on Lair Field Wednesday night.

The Blue Devils scored first of the first quarter when they took quick advantage of a break set up by Pahokee's ace tackle, Bennie Sims. The Rams were forced to kick on fourth down at the Pahokee 47 and Sims rushed in to block Eugene Phillips' foot then threw a key block as Blue Devil end Roy Spooner scooped up the ball on a dead run at the Belle Glade 20 and scampered over the goal line for Pahokee's lone touchdown. Hal Rosenberg went through right tackle for the extra point.

The Rams roared back at the start of the second quarter when Halfback Lavon Bass took Bill (continued on page 8)

### Joe Erby Thompson Wins Photo Contest

Joe Erby Thompson, Jr., four year old son of Mr. and Mrs. Joe Thompson was informed this week that he had been adjudged one of the prize winners in the Southwest 7th annual Children's Photographic contest given by Tooley-Myron studios.

### Youth Group Gives Worship Service

The Intermediate Youth Fellowship group of the Pahokee First Methodist Church presented a Thanksgiving worship service at the church Sunday evening. Those taking part on the program were Linda Sellers, Ann Rita Burns and Clyde Alley, Jr., with Anita Cowart at the piano. Members of the Junior Youth Fellowship group were guests.

It was announced Alice Joyce Spencer will be in charge of the evening service next Sunday at 6:30. Junior MYF officers will be elected at that time and all boys and girls from 12 to 15 years are urged to attend. Mrs. Rembert A. Guy is counselor for the group.

### Free X-Rays To Be Available Dec. 4-5

The mobile unit of the Palm Beach County Tuberculosis and Health Association will be in Pahokee Dec. 4-5 for chest X-rays in the annual free public check on tuberculosis. The unit will be stationed on the vacant lot opposite to the Bank of Pahokee and its free service is available to all local residents.

The annual Christmas seal sales campaign of the PBCT&HA will be in progress while the unit is here. Sales booths will be set up near the unit and in the postoffice lobby and the annual collections at the local theatres will again be under the direction of the Pahokee Woman's Club, with Mrs. Leon Spooner in charge.

### GUEST MINISTERS

The Canal Point Methodist Church will have as its guest minister for Sunday, Nov. 30th, Dr. J. H. Daniel, West Palm Beach District Superintendent. Special music will be furnished by the Sunday School Choir directed by Mrs. James Miller, and the Senior Choir.

## EVERGLADES DRAINAGE DISTRICT PASSES

To all intents and purposes, activity of the Everglades Drainage District has passed into the hands of Central and Southern Florida Flood Control District for all future tangibles have been turned over by the EDD to the FCD. The board itself will remain in office until 1955, but its activity will be curtailed.

The EDD served south Florida and the Glades area for 39 long years, being created in 1905, and re-created in 1913 since which time it has worked ceaselessly to better the lot of agriculture in Southern Florida. It has, however, succumbed to the greater activity of the FCD, the scope and activity of which are far greater than that ever contemplated by the Everglades Drainage District.

The EDD was a worthy pioneer in the drainage of the Everglades so that the great farming country that now feeds much of the United States in fresh vegetables and other edibles, could reach its present eminence in the agriculture picture.

Truly the EDD has served its purpose. It gives way to a larger, more formidable water control group, financed by both State and Federal monies in far greater amount than the EDD ever perhaps hoped to be able to attain.

In view of the past great work of the members of the Everglades Drainage District Boards of the past, we salute them for their valiant work in behalf of the betterment of South Florida over the past nearly 40 years!

## Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

In a lengthy and sometimes high spirited and heated session, the county commission that week took steps to better set out the county's responsibilities in development of the area.

Commissioner Paul Rardin and other members of the board formed a united front to adopt a trio of resolutions which clearly define the board's policy in approval of subdivision plats and what responsibilities the county will accept after developments are settled.

The three measures, which were proposed two weeks ago and delayed in order to allow all interested parties to analyze contents of the resolutions, provide for methods of culvert installation; maintenance of sub division streets and projected planning for new subdivisions.

The resolutions were prompted, the commission said, by numerous requests from land owners who had purchased land in sub divisions only to learn that private developers had failed to make adequate provisions for drainage and continuing care of streets and roads. Under the new policies, landowners may obtain installation of culverts and road turnouts with county assistance, only if the individuals purchase the culverts and deliver them to the site of the installation.

Developers will have a choice of obtaining maintenance of sub division roads providing that streets are originally built to specifications followed by the State Road Department and if adequate drainage is provided for. When roads meet the high standards of state construction work, only then will the commission commit itself to future maintenance of streets. If specifications are not met, then the commission agreed that the sub division should be labeled an "outlaw" subdivision and it should be publicized that the county would accept no responsibility for road work. Drainage problems were placed outside the jurisdiction of the county.

In the third resolution, the board provided that no plat would be approved unless detailed plans for roads and drainage work were provided and also that the proposed plat show water supply and sewage disposal plans.

The new measures became effective Monday and future proposed plats will come under terms of the three resolutions.

In other actions the board approved the appointment of William Allen as assistant county agent to begin work on Feb. 1. The appointment was made on recommendation of County Agent M. U. Mounts who said that Allen, who has specialized in 4-H Club work, is now working toward his master's degree at the University of Florida.

The board approved a payment of some \$2,000 for right of way settlements for Atlantic Ave in Delray Beach.

Heard that plans were being made for the construction of a detour bridge at Canal Point for use when a new span is being built at that city.

Approved payment of a \$8,235 insurance payment and approved a request by County Tax Assessor James Owens for installation of jaousines in the tax office.

## Thicker Pavements Needed To Carry Traffic, Expert Says

GAINESVILLE—Thicker pavements and improved subgrade structures must be built into future highways in order to handle increasingly heavy traffic, an expert recently told engineers and contractors attending the 1952 highway and survey conference at the University of Florida.

K. B. Woods, professor of highway engineering at Purdue University, was the speaker whose address featured the final session of the conference. "Highway engineers have been forced, through inadequate financial programs, to develop pavement designs which allow only a nominal factor of safety against heavy concentration of loads," he said.

"As a result," he continued, "these highway systems require an excessive amount of maintenance to keep them open for the increased traffic they must support."

Eddie Sims of Pahokee is reported to be slightly improved after being seriously ill for the past several days.

## Cinematic Chatter

By Malcolm Millar

Hello everybody! I would like to introduce Miss Doretta Morrow to you. She is the little lady with a magnificent singing voice, and I am sure you have seen her in some pictures. Music, which first impressed Miss Morrow when she attended the famous La Scala Opera in Milan as a child, has occupied her fully since her graduation from New Utrecht High School, in Brooklyn. "Thanks to my singing teacher, Alice Zeppilli," she says. "But for her, I probably would be a stenographer in some office to day." Three months of concentrated study with Miss Zeppilli, among whose pious pupils were Lily Pons, showed miraculous results. Trying out for her first show, Miss Morrow won a singing role in the musical "Shooting Star." "Unfor-

tunately, it didn't shoot past its Boston trout!" says the actress, "so I returned to New York back where I started, looking for a job." Actually the flop of her first show proved to be her first lucky break. Paula Stone was seeking a replacement for the singing lead in the Broadway revival of "The Red Mill," and Doretta became the new Gretchen, a role that lasted for the better part of two seasons. Later in Chicago, she sang the lead in "The Chocolate Soldier" for eight months. Back in New York, she played the singing lead

opposite Ray Bolger. Then came the nod from Hollywood and now we have a new and very popular young star in our orbit of entertainment. See you at the movies —Mal.

Roberto Barreto, agronomist in charge of the Cuban Sugar Cane Experiment Station, Jovellanos, Matanzas, Republic of Cuba, under the sponsorship of his government has been at Canal Point this week to visit the Sugarcane Breeding Station and to study the Everglades sugar industry.

**T**HIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over, the nightmare of war is behind them. These boys have seen far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U. S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength is America's surest guarantee of peace.*

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

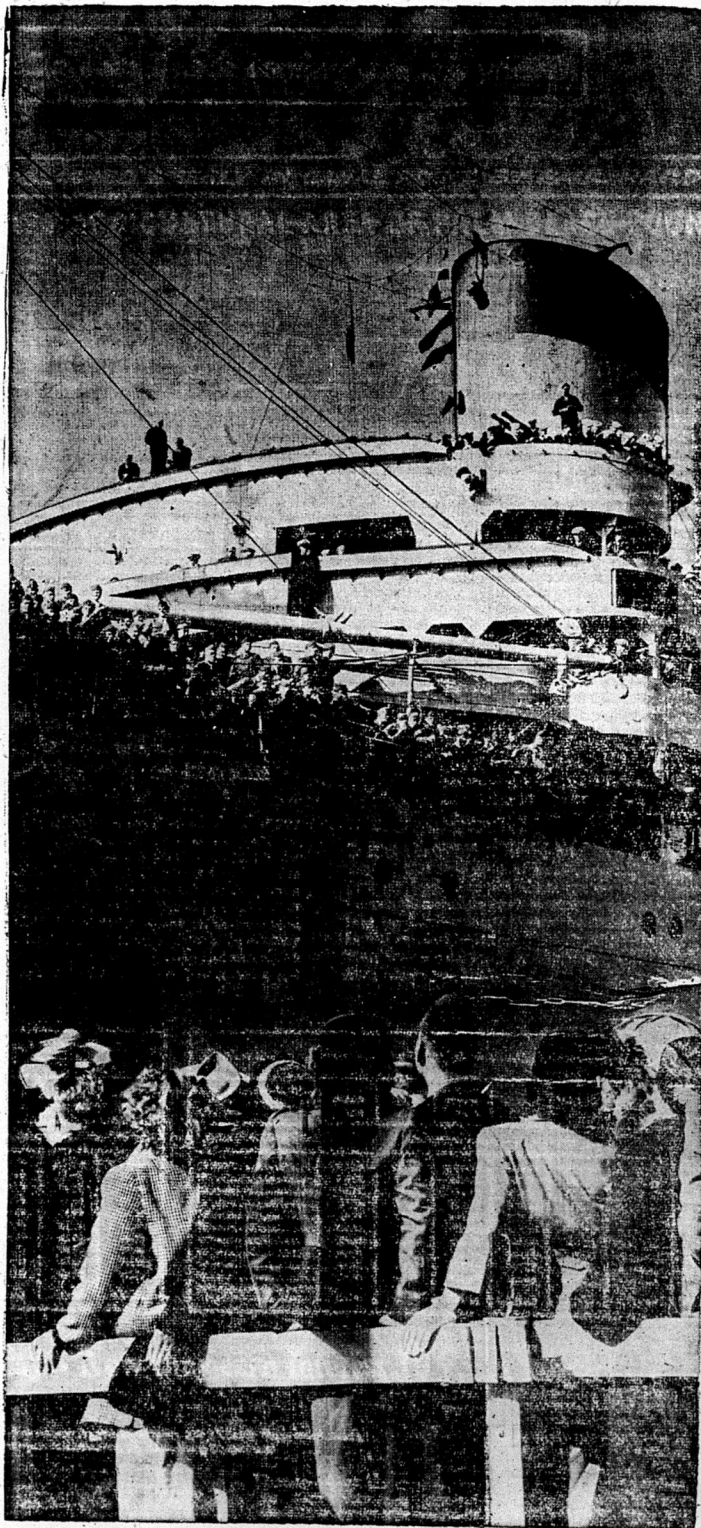

### The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now *every Series E Bond* you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. The Pahokee Woman's Club was host at an all-day meeting of District 10, Florida Federation of Woman's Clubs, Saturday at the Community Building in Canal Point.

Mrs. Hugh L. Hale of Fort Pierce, district director, presided at the business session held in the Pahokee Woman's Club, gave the address of welcome and Mrs. C. R. Durkee of West Palm Beach, the response.

Mrs. Lawton Swan, State chairman of Junior Clubs, gave a talk on "Junior Club Women and Federation Work." Mrs. C. M. Washburn of Tampa, State Federation second vice president, spoke on "Long Distance," a talk on the Federation's extension work. Mrs. Nancy Parsons of West Palm Beach, district director of Junior Clubs, gave a review on the work within the district and called for reports from representatives of various Junior Clubs.

Clubs submitting reports at the district meeting included Belle Glade, Boynton Beach, Delray Beach, Fellsmere, Fort Pierce, Jupiter, Lake Worth, Lantana, Pahokee, Stuart, Vero Beach, West Palm Beach; also the Indian River County Federation and the Palm Beach County Federation. During the business session recess refreshments were served by Mrs. W. H. Jones, Jr., and Mrs. J. R. York.

Following the business session a birthday luncheon honoring State Federation officials present at the meeting was served at the County Park community building in Canal Point. The 12 months of the year were indicated in table decorations and guests were seated according to the dates of their birthdays. At each plate was a birthday favor and an individual birthday cake topped by a single candle. Mrs. Hale led in the group singing of birthday songs for the guests of honor and as each State Federation official was introduced Mrs. Hale presented her with a gift.

Principal speaker at the luncheon was Mrs. Walter S. Jones of Jacksonville, State Federation president, who spoke on "Achievements of Club Women." Mrs. E. D. Pearce of Miami, State Federation first vice president, also spoke, her topic being "How To Do It."

Mrs. Jones and Mrs. Pearce were introduced by Mrs. Frank Friend, past president of the Palm Beach County Federation, who was program chairman. Mrs. Friend also introduced Mrs. Frank Stranahan

of Fort Lauderdale who is active in mission work among the Seminole Indians. Mrs. Stranahan introduced Sally Tommy, an Indian girl who is attending the Okeechobee High School and whose education is being sponsored by the Pahokee Woman's Club.

Mrs. E. N. Lightfoot of Lakeland, Indian welfare chairman, gave a talk on "Indian Work" and introduced a Seminole Indian Harmonica Band from the Brighton Reservation, directed by Mr. Boomer. On display at the luncheon was an exhibit of Seminole Indian handicraft arranged by Mrs. Boomer.

Mrs. M. I. Keen was general chairman of the Pahokee Club's special committees in charge of luncheon arrangements. Luncheon was served to 134 club women. Mrs. Frank Friend and Mrs. R. J. Schroder of the Pahokee Club were on the reception committee and the Belle Glade Club was in charge of the registration.

Mr. and Mrs. Davis Kicklighter announce the birth of a daughter at Good Samaritan Hospital in West Palm Beach, Nov. 22.

## It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

## Christian Science Group Of Canal Point

Spiritual understanding provides a sure defense against the machinations of mortal mind or animal magnetism in all its forms. This will be set forth in services in all Christian Science churches next Sunday when the subject of the Lesson-Sermon is "ANCIENT AND MODERN NECROMANCY, ALIAS MESMERISM AND HYPNOTISM, DENOUNCED."

The Golden Text is from Proverbs (21:12): "God overthroweth the wicked for their wickedness."

Jesus' admonition: "Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves" (Matthew 7:15), is among Bible passages to be read.

Correlative selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Animal magnetism has no scientific foundation; for God governs all that is real, harmonious, and eternal, and His power is neither animal nor human" (p. 102).

# This means more money to you!

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST  
10 EXTRA YEARS**

**A**LL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile. . . . And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save *before* you even draw your pay. Thousands on the Plan say it's the one sure way to save.

## 3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K  
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

**SERIES H.** A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

**SERIES J.** A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

**SERIES K.** A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semi-annually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

**NOW EVEN BETTER!  
INVEST MORE IN DEFENSE BONDS!**

## NOTICE

ANYONE, relative or friend knowing the names of individuals or families with members or friends buried in the old cemetery grounds on Bacom Point Road, now known as Pioneer Park, please notify a member of the beautification committee of the Hibiscus Garden Circle.

It is our desire to make a list, as nearly accurate as possible, of the deceased pioneers buried in the park, this list of names to be inscribed on a plaque to be erected on the park grounds.

The Hibiscus Garden Circle is endeavoring to transform the old neglected burial grounds on Bacom Point Road into a beautiful park and, as everybody knows, this project will require a lot of time and money.

The grounds have been cleared of unsightly brush and weeds and are now ready to be leveled off with a fill of several loads of muck. At the present time the Hibiscus Garden Circle, which is also planting royal palms along Bacom Point Road as a roadside beautification project, doesn't have the funds to make the fill at Pioneer Park.

Perhaps someone with a relative or friend buried in the old cemetery grounds would like to help carry on with this beautification program. Anyone wishing to see this work progress is assured a donation will be most heartily welcomed and appreciated.

## Signed:

Beautification Committee,  
Hibiscus Circle

## Belle Glade Rams—

continued from page 1

Hutton's kick on his own 15 and fought his way up to the Pahokee 46. A screen pass from Quarterback Jim Williams to Fullback Ken Kirchner took the ball to the Pahokee 14 and then Williams passed to Halfback Claude McLeod for the TD. Later in the same period Ram Halfback Johnny Schlechter took Hutton's kick on his own 15 and behind good blocking ran the whole distance down the right side of the field for a TD. Phillips kicked the extra point, his only successful kick in three tries during the evening. The Rams took to the air for their final touchdown scored in the third quarter when Phillips recovered a Blue Devil fumble on the Pahokee 32. Williams passed to D. Congelton to bring the ball down to the 14, then passed to Bobby Kent in the end zone for the TD.

The bands of the two schools put on a spectacular halftime show which was thoroughly enjoyed by the large crowd of spectators that overflowed the stands, estimated at around 3,000 persons. The Pahokee band made use of the Thanksgiving theme and the Belle Glade band, the Christmas theme.

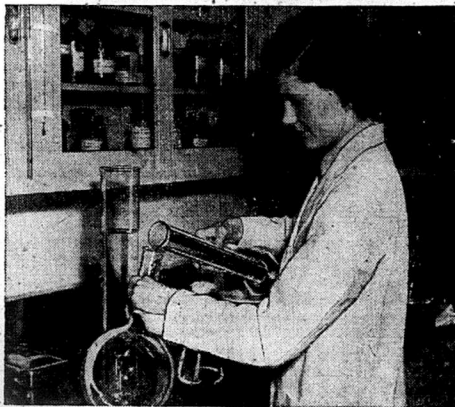

## Christmas Party Planned By Lions

Pahokee Lions at their Tuesday luncheon meeting made plans for the Lions annual Christmas party for the children of the community. Curtis Chase, chairman, reported gross receipts of \$450 from the recent football game between two Negro high school teams sponsored by the Lions Club to raise funds for the children's Christmas party. Fees of the teams and officials, and other game expenses are yet to be deducted, he said.

The club voted to invite the Pahokee High School Band to participate in the State Lions Convention in Miami in May, Manning I. Keen, convention committee chairman, to be in charge of arrangements.

Plans were also made to sponsor a magician's show in the near future. Ralph O. Johnson to be in charge of this project. Frank Rozelle reported 95 per cent attendance of members to club meetings through the month of November.

## Research to Defeat TB

From careful, patient work over a long period of years in laboratories such as this one have come the great advances in medical research that are helping to defeat tuberculosis. The voluntary associations affiliated with the National Tuberculosis Association aid 35 research projects and provide 18 research and teaching fellowships for young scientists with funds raised through the Christmas Seal Sale, which this year is being conducted from Nov. 17 to Dec. 25 throughout the United States.

## Mrs. Lair Speaks To Woman's Club

Mrs. I. M. Lair was guest speaker at a program and business luncheon meeting of the Pahokee Woman's Club in the clubhouse Tuesday, with Mrs. Don Hillier, president, presiding. Introduced by Mrs. J. R. York, chairman of the education committee, who was in charge of the program, the speaker gave a talk on "Responsibility of the Home for the Well-Rounded Child."

Mrs. M. I. Keen, chairman, reported the club cleared \$50.80 from the luncheon served at the District 10 meeting.

Mrs. Edward A. Jensen was received as a new member. Mrs. R. J. Schroder gave a reading, "Psalms of Thanksgiving."

It was announced at the next business meeting of the club on Dec. 9 each member will bring a Christmas gift for a disabled veteran. Floyd Euell, laboratory technician at the Everglades Memorial Hospital, will be present at this meeting to type the blood of club members for the Walking Blood

Bank. Mrs. H. T. Williams, American War Veterans committee chairman, will be in charge of the program.

Luncheon hostesses at Tuesday's meeting were Mrs. J. R. York, Mrs. R. F. Hurt, Mrs. Marjorie Henderson and Mrs. Lee Wroten.

## Dan Skiles Hurt In Navy Action

Dan Skiles, 21, former resident of Canal Point, who joined the armed services in 1951, has lost his right arm and left leg in the service and is now receiving treatment at a hospital in California, according to word received by his cousin, Mrs. Louis Mims, of Pahokee.

Young Skiles, son of Mrs. Alma Wallace of Jacksonville, lived in Canal Point in 1950 and attended Pahokee High School during his stay here. He enlisted in the U. S. Navy in 1951 and was overseas on active duty in the medical corps when he lost his arm and leg.

## Do you know this about telephone taxes?

You may not realize how large a part of the money paid by telephone users goes to taxes.

Including the federal excise tax, a total of 29¢ out of every dollar received from Southern Bell customers last year was paid out in taxes to federal, state and local governments. To put it another way, the average amount of taxes was \$2.67 a month per telephone.

Telephone taxes are necessary to the support of government, but they do mount up. Higher taxes of course have effect on the price you pay, for telephone service.

The next time you pay your telephone bill, remember that a good part of it is taxes for government and national defense.

Southern Bell Telephone and Telegraph Company
